Dear Pastor

After 30 years as a pastor, I know it is a difficult decision for pastors when deciding which evangelist to bring in to preach revival services to the church. I want to commend to you for your prayerful consideration Evangelist Jim Gray.

As his pastor, I have watched Bro. Gray grow mightily in the Lord, and I know that God's hand is upon Him. I had the privilege of having a part in training him in our 'local church' Bible college, Southeaster Fundamental Baptist College, and have witnessed his dedication to the Lord's call upon his life. He has blessed our people each time he has preached to them. Like us, Jim Gray is an old fashioned Bible preaching Baptist preacher. I believe he will bless your people.

Bro. Gray is also available for pulpit supply and special meetings. If you have any question concerning him, please call me at 256-830-6224.

Sincerely

Mike Allison, Pastor
